

RESELLER REBATE PROGRAM 2010

STEELLOGIC RESELLER REBATE PROGRAM 2010

Steelogic's new "Reseller Rebate Program" offers an extraordinary opportunity for approved resellers to earn money back on all accrued purchases of metal roof/wall panels quarterly.

Steelogic has a goal to be the most reliable, honest, and product diverse company in the industry. With our products in high demand, now our resellers can recoup important dollars to further contribute to the profitability of their businesses.

Participation in the rebate program is simple... and collecting your rebate is easy.

See the simple step below :

At the end of the 3 month program period, complete the rebate redemption form with your total purchases (invoice # and proof of payment). Within 10days after period end your rebate will be applied to your account to be used for future purchases!

Resellers must purchase a minimum of \$20,000 during each period to qualify for this program. Rebates are currently set at 1% of material sales only. Any order which has already received a discount or credit applied to it will not be eligible for a rebate.
